PADUCAH, KY., THURSDAY EVENING, JUNE 20, 1901

10 CENTS PER WEEK

TWO LYNCHED

Great Surprise Created at Shreveport, Louisiana, by the Hanging.

EXCITEMENT HAD DIED OUT

It is Now Thought That Other Suspects of the Murder Will Be Lynched Tonight or Soon.

SMITH AND FRANK M'LAND VICTIMS

Shreveport, La., June 20.—The lynching last night of Prophet Smith and Frank Leland, two of the negroes charged with complicity in the murder of John Gray Foster, was a great surprise, as it was thought that the excitement had all died out.

Today there has been more excitement and it is said that the other suspects under arrest will be hanged.

Last night the two men were taken out and strung up to a tree. They were left dangling side by side. The lynching occurred on the Arkansas road about a mile and a half from the jail. Both negroes made statements before death denying that they had anything to do with the killing. Smith, who was the head of the Church of God movement in this section, and was blamed as being responsible for the sentiment against the whites which led to the death of Foster, died praying.

M'land was silent and brave as he was swung up.

As Smith was being led from the jail prior to the execution he was heard to say:

"Lord, you have promised to be with me now."

There were about 200 armed men in the mob and they overpowered the sheriff and jailer, taking the keys away from them. The lynchers claimed that the execution of these negroes was necessary to the preservation of the lives of the white men in the locality.

WAS ACQUITTED.

YOUNG MAN OF UNION COUNTY NOT GUILTY OF ROBBERY.

Kenny Garr, of Union county, was acquitted in Judge Sanders' court this morning on a charge of robbery. He was arrested Monday on a charge of taking \$70 from W. J. E. Gray. The defendant came here during the carnival and was attending bar at a Court street saloon. The evidence showed that Gray was drunk and doesn't know where he was robbed, and there wasn't an iota of evidence against young Garr.

He is a grandson of Hon. Sam Casey Hughes, of Morganfield, and was ably represented today by Attorney Berry, of the city, and Attorney Preston B. Miller, of Union county. His brother, Hugh Garr, a traveling man, was also here. He is not yet 20, and is a well bred young man of splendid family, and will be taken home.

DR. KERFOOT DEAD.

A SUDDEN RELAPSE BRINGS ABOUT HIS DEATH AT ATLANTA.

Atlanta, Ga., June 20.—Dr. Kerfoot, a former Kentucky minister, who had been dangerously ill for some time, died last night. He was thought to be improving but a sudden turn for the worse at midnight resulted in his death.

The case against Frank Petty, colored, for beating his wife, was left open after the evidence was heard.

Rice Miller was fined \$5 and costs for a breach of the peace.

Corra Johnson, Lela Bider and Sophie Trice, white girls about 18, for disorderly conduct, were fined \$5 and costs. They were arrested last night in a buggy by officers Beadles and Friant, and seemed to be having a good time.

NOTICE SERVED.

THE RAILROAD COMPANY MUST REPAIR STREET INTERSECTIONS WHERE TRACKS CROSS.

Mayor Lang this morning served notice on the General Yard Foreman of the Illinois Central that the company must at once repair the streets all over the city where the railroad tracks intersect. In many places the rails project above the streets until they are dangerous, and the company will doubtless do the necessary work at once.

Mayor Lang also notified the street car company that all cars must be run to the foot of Broadway, instead of stopping at Second or Third Street, as some of them have been doing. It is claimed that when the cars do not run to the end of the line, many people miss them and often are delayed in transacting necessary business.

PREFERRED DEATH.

YOUNG LADY COULD NOT GET OVER THE DEATH OF FIANCE.

New Orleans, June 20.—Miss Ellie Bostick created a big sensation here by committing suicide on the grave of her fiance, John Marrow, who was Tuesday killed by a train at a railroad crossing. She was quite a well known young woman and was found in a dying condition on the grave.

FATHER DIED IN MICHIGAN.

Mr. J. Schiffman, the well known plumber, left today for Niles, Michigan, in response to a telegram this morning stating that his father, Mr. J. Schiffman, died this morning. He will return to this city in about one week.

DEATH IN GRAVES.

Mr. M. O. Colley, the Master Commissioner of Graves county, died at Farmington Ky. yesterday. He left a wife and many prominent relatives. The deceased was about 30 years of age and one of the most popular men in the county.

SWORN IN TODAY

Dr. Messig Qualified This Morning Before City Clerk Fisher.

BEGINS TO INSPECT TODAY

The City Can Get No More Gravel for Several Days on Account of Having to Advertise.

DRAINAGE COMPLETE NEAR OAK GROVE

Dr. A. Messig, the newly elected meat and milk inspector, this morning qualified before City Clerk Harry Fisher at 10:30 o'clock and his bond was accepted. On it are Messrs. John and Ed Terrell and Waddy Lang. He will begin his inspection at once, and in a few days will try to have things in good working order.

The city is in an unusual dilemma. The repairs on the streets have had to stop, as the gravel is exhausted and no more can be bought until bids are advertised for and the contract awarded. The city had been buying gravel at 75 cents, but Councilman Davis claimed that it could be bought at 65 cents or less if a contract were let for it, and on his motion the contract method was adopted and now that the supply is out, the mayor will have to advertise for bids for furnishing it to the city and it will be fully ten days before there is any more street repaving.

The drainage of Oak Grove and the section of land adjacent thereto was completed today by Street Inspector Utterback. There was an unexpected delay in completing the last few feet of it but it is now all ready for use.

Tomorrow Inspector Utterback will start a force of men to work laying drain pipe on Second street between Ohio and Tennessee to protect the sanitary sewerage. The work will probably require several days.

Today the crusade against dogs began in earnest and several warrants were issued against owners who have failed to pay their license. They will be warranted as rapidly as they refuse to pay up. They are given ample notice to call and pay the tax, and when they refuse warrants will be issued.

CIRCUIT COURT.

The clerk of the circuit court is busy making out the criminal docket for the September term of court. The exact number of cases has not yet been determined but will probably reach 200.

The case of the McCormick Harvesting Machine Co. J. B. Wiley, the defendant filed a suit for the appeal of the case from the quarterly county court to the circuit court.

A BOOTLEGGER ARRESTED.

U. S. Deputy Marshal Saunders arrived in the city today at noon from Mayfield bringing with him Booney Minton, white, charged with "bootlegging." The prisoner was tried this afternoon before commissioner Puryear, and held under a \$300 bond which he gave. Mr. B. J. Kay going on the bond.

MRS. IRA WILLIS GOES TO CADIZ, WHERE HER HUSBAND AND

Child Are—She Claims He Left Unexpectedly With It—Result of Domestic Trouble.

Mrs. Ira Willis, of 1349 South Third street left on the noon train for Cadiz, Ky., in search of her husband who she claims ran away with the baby. She applied at the city hall yesterday for assistance in locating her husband, but in the meantime received information that he had gone to the above mentioned place.

She stated to a Sun reporter today that her husband wanted her to move away from the city and live near Cadiz which she refused to do, and yesterday he left suddenly taking the child with him. She claims that he left her with very little funds and that she had to solicit assistance from her friends to go to Cadiz. She says that she will attempt to gain possession of the child again and if she does not do so immediately she will remain in Cadiz until she does.

MALICIOUS ASSAULT.

FAIR MARKET

The Prices in the Local Tobacco Market This Week Unchanged.

THE WEEK'S LOCAL SALES

Two Firms Held Sales in Paducah, and the Offerings Were Quite Large During the Week.

THE REJECTIONS WERE LIGHT

The tobacco market experienced practically no change from that of last week excepting on lugs. There were larger offerings but the bidding was not so lively as was expected. The market has recovered somewhat from its recent declension. Gilbert & Co. held no sales yesterday but will offer a few hogheads today.

J. W. Farmer & Co. report three-fourths of the breaks, lugs and the prices on lugs two bids lower than last week. The following is the report:

Offered 100 with undetermined rejections.
Common to medium leaf sold from \$5.50 to \$6.50.

Medium to good leaf brought from \$7.50 to \$9.

Lugs were a little easier than last week and were about two bids easier than last week's lug market. Leaf is reported fully up in comparison with the market of the past several weeks. There were no hogheads of fine leaf offered. The out of town buyers were out in force. Mr. J. T. Myles, formerly a prominent tobacco buyer of Mayfield, but now of Louisville, was in the city yesterday attending the sales.

Fields Bros., who came here from Fulton and opened a warehouse several months ago have several hogheads to sell but did not offer them yesterday. They have conducted only one sale since they started their business.

The Western District Warehouse company report the market generally a little lower than that of last week with a drop in lugs. The breaks were principally lugs and common leaf with one hoghead of good leaf, bringing \$10. There was no fine leaf offered. The following is the report of yesterday's sales.

Offered 118 hogheads.

Rejections Light.
Common leaf sold from \$5.50 to \$7.50.

Lugs sold from \$4.45 to \$5.50, a drop of two bids, about 15 cents.

The sales were attended by a number of country tobacco growers with very few out of town buyers. The sales were not satisfactory to the dealers.

ENJOYABLE TIME.

DOCTORS ENJOY A DAY'S OUTING AT METROPOLIS LANDING.

The McCracken County Medical society met at Metropolis landing yesterday. A barbecue dinner had been prepared and the doctors had a fine outing. There were about thirty physicians and their friends, all told, and Paducah was represented by Drs. Boyd, Sights, Stewart, Wayne and Young. At 4 o'clock the local delegation went over to Metropolis and enjoyed themselves until the arrival of the Dick Fowler when they started for home. Dr. Graham, of Massac, was elected president and Dr. Moss, of near Grahamville, was elected secretary. The meeting was a success in every way.
